

Hi Reception!

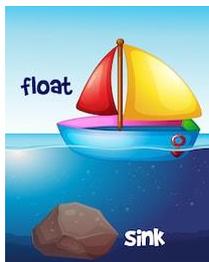

It have really missed you all so much this term. School just hasn't been the same without you. We definitely made some happy memories together which will be with us forever. Enjoy sharing your special book with your family and talking about the things you did in our Reception Class. I will see you in September - Don't forget to say hello. You are all Super Duper Wuper Stars!!!

Miss Wells. X

I love a game of I spy! I wonder how many animals you will remember spying in the story. It's a good idea to write them down so you know which ones you have said. I probably don't need to say it anymore but, "Don't forget to use your phoneme fingers!" Go to Book of the Week tab Week 15 to find out more.

Go on a treasure hunt in your garden. Look for things that you think will float and things that will sink. Ask a grown up to put some water in a bowl. Before you put the object in the water predict what you think will happen when you put it in the water.

This little whale is made out of an egg box and pipe cleaners. What will you use to make your whale? I have seen some lovely ones made out of paper plates too.

There are lots more maths tasks for you to do on White rose maths Week 12. Remember to look on the Lancashire website too. <https://whiterosemaths.com/homelearning/early-years/>

http://www.lancsngfl.ac.uk/curriculum/primarymaths/index.php?category_id=1211

For those of you who want to carry on with the fantastic learning that you have been doing at home

If you have access to a printer there are some maths booklets for you to print off and do.

On Active Learn

<https://www.activelearnprimary.co.uk/login?c=0>

Bug Club

Reading books on Phonics Club for you to read

More maths games on Abacus for you to play

Look on White Rose Maths for fun activities linked to story books.

<https://whiterosemaths.com/homelearning/early-years/>

Go on Phonics Play to practise reading and spelling Phase 2 and Phase 3 words and sentences.
