Absence:

If you child is going to be absent from school can we politely ask all parents to contact school with a reason for their absence. This can be done by either leaving a voice message on the school answer phone or using the absence form within the ParentApp. This can be found under the 'More' tab, Absence Reporting.
 This will help staff as they have to call all parents as part of Safeguarding procedures.

ParentApp:

Can we ask that the remaining few parents that have not signed up to the App, to please do so as you may be missing important information that is being sent out. If you require any help in doing this, please call in to the school office.

Perseverance:

Our focus value this half term is perseverance. This has been never truer than the last few months. We understand the timing of the holidays may have set the children back again. We have had several children who have struggled to get back into the school routine and have been anxious about leaving family after lockdown. We are working hard to support all the children in this. If you are concerned about your child, please let us know and we will put support in place.

M & M Production:

The children had a ball watching the performance yesterday! It was lovely to have them in.

PGL residential visit:

A letter including kit list will be sent out next week. Any queries please ask at the office.

Parent Governors:

We are pleased to announce that our new Parent Governor is Mrs Camelia Murgulet. There is still a vacancy so if anyone else is interested please contact the school office.
