Applying for a primary school place:

If you know anyone who needs to apply for a place in reception at our school in September 2023, applications need to be in by 15th January. This is the link to apply: <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/starting-primary-school/>

Attendance and Punctuality:

Our school attendance and punctuality last year was below the National Average at 92%. In light of the pandemic, ongoing covid concerns, delayed holidays and the usual childhood sickness bugs-this is understandable. This year we are working hard to improve attendance and tackle lateness. These are ways you can help us:

- Informing us if your child is going to be absent
- Don't send your child if you know they are going to be contagious with a bug
- Try to avoid term time holidays
- Complete medicine forms if your child is well enough to

Children In Need:

Children in Need day is on Friday, 18th November. We thought we would celebrate this event and dress up in our own clothes that day-or any Pudsey clothing! We are trying hard to promote a cashless school so please if you can make your donation on the donations page on parent pay, please use the following link if you would like to make an online donation

Parent Pay:

We are trying to promote a cashless system in school and would greatly appreciate it if parents could register and start using the system when paying for school dinners and trips. Parents are advised to use 'Google Chrome' as their web browser when using the platform as this is more compatible than safari. If you have not used your account for over 6months it may need resetting. If this is the case then please contact the school office.

If you are still experiencing problems please contact:

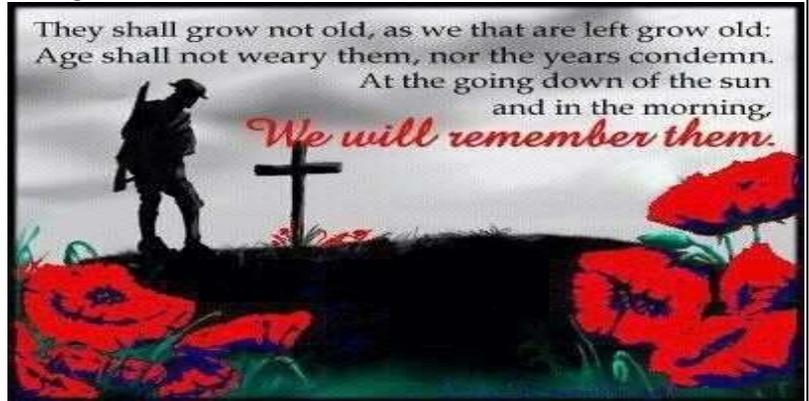

parent-support@parentpay.com

be in school but may need medicine

- Whilst everyone can be running late occasionally due to unforeseen circumstances, please try to ensure this is kept to a minimum. We all know how difficult it is to get up on cold and dark mornings. It is important to establish a good routine.
- School will work with some families to try to improve attendance and punctuality. If you feel it is something you need help with, please ask.

Remembrance Day:

Thank you for all your contributions this week for poppies and associated items. The children were very respectful during the live virtual assembly and all of them did a super job reflecting during the two minute silence.

Value of the half term:

Our value this half term is **Compassion**. This week is anti bullying week. Our assembly will start the week and our focus will be on reaching out.

[No celebration assembly.](#)
