Applying for a primary school place:

If you know anyone who needs to apply for a place in reception at our school in September 2023, applications need to be in by 15th January. This is the link to apply: <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/starting-primary-school/>

World Cup:

School will be showing the opening match for England for any of the older children who want to watch. This is the only match to fall in school time.

Attendance and Punctuality:

Our school attendance and punctuality last year was below the National Average at 92%. In light of the pandemic, ongoing covid concerns, delayed holidays and the usual childhood sickness bugs-this is understandable. This year we are working hard to improve attendance and tackle lateness. These are ways you can help us:

- Informing us if your child is going to be absent
- Don't send your child if you know they are going to be contagious with a bug
- Try to avoid term time holidays
- Complete medicine forms if your child is well enough to

Parent Pay:

We are trying to promote a cashless system in school and would greatly appreciate it if parents could register and start using the system when paying for school dinners and trips. Parents are advised to use 'Google Chrome' as their web browser when using the platform as this is more compatible than safari. If you have not used your account for over 6months it may need resetting. If this is the case then please contact the school office.

If you are still experiencing problems please contact: parent-support@parentpay.com

Y1 Bikeability:

Monday-Wednesday the children in Y1 will be practising their biking skills with Bikeability. They don't need to bring anything – all the bikes will be provided. The children will be able to come in leggings or tracksuit pants if they like to help stay warm on the bikes when it is their turn. Normal school uniform to be worn on the top half please.

<p>be in school but may need medicine</p> <ul style="list-style-type: none"> • Whilst everyone can be running late occasionally due to unforeseen circumstances, please try to ensure this is kept to a minimum. We all know how difficult it is to get up on cold and dark mornings. It is important to establish a good routine. • School will work with some families to try to improve attendance and punctuality. If you feel it is something you need help with, please ask. 	<p>Children in Need: Thank you for all your contributions this week for the own clothes day for Children In Need.</p>
