Vision Screening in Lancashire

Vision screening will be taking place for the reception class children on Thursday 9th February 2023 at 1.15pm.

An Opt-out consent form has been sent home with your child. If you have not received one and wish to Opt-out, please contact the school.

Absence:

If your child is going to be absent, please contact school via telephone and leave a message before 8.30 or speak to a staff member. Alternatively you can use the absence reporting form in Parentapp.

Holiday club:

We will be running a half term holiday club at February half term. Further details to follow.

This half term the Team Theme after school club is for Year Four. There is currently a low take up, so look out for any updates whether we open it out for Year 3 children too.

Value of the half term:

Our value this half term is **Trust**. This week we will be focusing on 'Trusting in our own abilities.'

PGL:

We still have availability on the Y5/6 residential to PGL. Please enquire at the office for further details. Any older children or staff who have gone for the last two years will tell you what a brilliant time we have and make memories that will last a lifetime.

We know costs are rising, we are offering payment plans to spread the cost and are still subsidising the visit to enable the children to attend. The centre is staffed by highly qualified coaches and the whole experience is amazing!

PASTA club:

Our families had a super first week at the play and stay teatime activities-this will be running for two half terms.

Letter from the King:

Phoebe in Y6 wrote to the King to offer her condolences on the death of his mother, Queen Elizabeth. This week, she received a reply from King Charles.
